****For our December Dance on the 19th we put out a flier to bring in more visitors. We have had to change the Potluck that night to an all call for protein/sweet finger foods. We hope to have a lot of visitors so we need snacks from everyone that can bring them.**

****We also advertised a Silent Auction for the December 19th meeting. We can take donated items at any dance before and even that night. Please try to contribute something you no longer need but believe may be wanted for a gift or by someone else for themselves. The club already has Square Dance clothes so please try to find other items.**
