O.K. What's next?

You've graduated and started dancing at the club and now it's time to spread your wings. Grab some square dance friends and hit the road.

You have a great opportunity to go anywhere your heart's desire and find others to dance with.

Let's start nearby. We have opportunities in Huntsville, Madison, Guntersville, Rainsville, Decatur, Fultondale and Florence in Alabama, all have clubs to dance at.

Dancing at other places will help expand your dancing fun and you will meet new and interesting people. Tennessee, Georgia and Mississippi are close enough to visit too.

Every year the National Square Dance Convention is held in a new city. This year it will be in Kansas City, MO in late June. And next year it will be in Atlanta, GA, beginning on June 26th 2019 and is close enough to drive to in about three to four hours. At these conventions you will experience dancing with people from almost every state and internationally

from Japan, Germany, Australia and others.

Get off the couch and let's go.

Here is a sample of what's going on around us during the month of May.

So Let's Get Going!

Paraprosdokians are figures of speech in which the latter part of a sentence or phrase is surprising or unexpected & is frequently humorous. (Winston Churchill loved them).

Where there's a will, I want to be in it.

The last thing I want to do is hurt you ...but it's still on my list.

Since light travels faster than sound, some people appear bright until you hear them speak.

If I agreed with you, we'd both be wrong. We never really grow up -- we only learn how to act in public.

War does not determine who is right, only who is left.

Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.

To steal ideas from one person is plagiarism. To steal from many is research.

I didn't say it was your fault, I said I was blaming you.

In filling out an application, where it says, "In case of emergency, notify.." I answered "a doctor."

Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy.

You do not need a parachute to skydive. You only need a parachute to skydive twice.
